Team captains and individual competitors will submit scores <u>on or Before</u> the Saturday of each week.

Team Match

The top for individual scores from each team will count as the clubs team score. An individual may fire more than one discipline each week and that person's top score can be used for the team score, however only one score may be used.

Handicap score, if a team has fewer than four shooters then a team will automatically receive a score for one additional shooter, this score will be tabulated by averaging the top three shooters and then multiply that score by 75%. This handicap is good for one additional shooter only, the score does not count towards any individual shooter, it shall only county towards the team result for that week and the team's season total. For example if the top shooters have an average of 390 you would multiply by 75% for a 292 score added to the team result.

Match results will be reported to team captains/contacts and individual unaffiliated competitors weekly. Via e-mail and can be seen directly at www.PlattsburghRodandGun.com, individual shooters make sure the league has your e-mail address.

To be eligible for final end of the season ranking a shooter must fire in a minimum of 50% of the league matches.

Bracket Match

4-P Winners will be chosen from each group of 4 shooters who will be ranked into mini-match groups according to their weekly aggregate averages. If, after dividing the shooter list by 4, if only 2 competitors are left, those persons will be merged with the next mini-group. Ties will be broken by position (Standing then Kneeling then Sitting, and then Prone Score).

Prone Winners, will be chosen from each group of 4 shooters who will be ranked into mini-match groups according to their weekly aggregate averages. If, after dividing the shooter list by 4, if only 2 competitors or less are left in a bracket, those shooters will be merged with the next mini-group.

Ties will be broken by the number of tens. Please note when scoring "Tens" on the USA-50 target the ten ring "dot" must be covered by the shot. The plug will cover the dot.

Air Rifle/ Standing Winners, will be chosen from each group of 4 shooters who will be ranked into mini-match groups according to their weekly aggregate averages. If, after dividing the shooter list by 4, if only 2 competitors or less are left in a bracket, those shooters will be merged with the next mini-group.

Ties will be broken by the number of tens.

Sporter Rifle Winners will be chosen from each group of 4 shooters who will be ranked into mini-match groups according to their weekly aggregate averages. If, after dividing the shooter list by 4, if only 2 competitors are left, those persons will be merged with the next mini-group. Ties will be broken by position (Standing then Kneeling then Sitting, and then Prone Score).

The winner of the team championship (highest total aggregate for the 10 matches) will be declared the Team Champion and will have their team name engraved on the league plaque.

Fees \$5.00 per competitor; Competitors can fire in both the 4-P, Prone and

Standing Divisions but must register separately & pay for each division.

(There are no additional Team Fees)
